COMMUNICATION / CRANIOFACIAL DEVELOPMENT VERSUS ORAL MOTOR FUNCTIONING

20-P5

COURSE COORDINATOR >> Margarida Grilo - Speech and Language Therapist, MSc

COURSE PRESENTATION

This course integrates knowledge from areas of dental medical sciences and sciences of speech and language therapy, essential to (i) integrate craniofacial development with orofacial structures functioning, (ii) understand reciprocity between skeletal and oral motor disorders, (iii) discuss the timing and cost benefit of improving morphofunctional assessment and (iv) know interaction between functional orthodontics and speech and language therapy.

LEARNING OBJECTIVES >> KNOWLEDGE AND SKILLS TO DEVELOP

- 1 To know and discuss the craniofacial developmental process
- 2 To develop knowledge about epidemiological data related to development and craniofacial functioning
- 3 To analyse and discuss different types of dental malocclusion
- 4 To analyse and discuss the importance of orthopaedic-orthodontic to promote craniofacial development
- 5 To discuss nasal flow impact in craniofacial developmental and in oral motor functioning
- 6 To know and describe criteria of oral motor assessment
- 7 To know and discuss diagnosis of oral motor disorders and comorbidities; differential diagnosis
- 8 To justify clinical decisions and its cost/benefit by different means

TARGET AUDIENCE

Doctors, Nurses, Nutritionists, Psychologists and Technicians of Diagnostic and Therapy with specific interest in this area.

ADMISSION CRITERIA

>> CV with academic background in the mentioned specialties

ATTENDANCE REQUIREMENTS

100% attendance is mandatory for issuing attendance certificate and CME credits and/or ECTS

MAX. ATTENDEES

>> 30

COMMUNICATION / CRANEOFACIAL DEVELOPMENT VERSUS ORAL MOTOR FUNCTIONING

20-P5

AGENDA

2020 / SEPTEMBER

SEPT 19TH

9:00 am - 6:00 pm

@ Escola Superior de Saúde do Alcoitão

- >> Normal process of craniofacial development
- >> Types and characteristics of dental malocclusion
- >> Incidence and prevalence of craniofacial abnormalities and dental malocclusion
- >> Nasal flow impact in craniofacial developmental, oral motor structures rest and functioning
- >> Oral habits impact in craniofacial developmental, oral motor structures rest and functioning
- >> Anamnesis items in orthodontics
- >> Goals of functional orthopaedic (orthodontic) treatment
- >> Anthropometric triggers for important measurements in myofunctional assessment
- >> Oral facial structures assessment
- >> Oral motor functions assessment
- >> Tongue thrust, deviant and adult swallowing

FACULTY

- >> Carina Esperacinha, MD
- >> Margarida Grilo, SLT, MSc

CREDITS >> 1 ECTS

DURATION >> 8 HOURS

"The Communication: Craneofacial development versus Oral motor functioning, Lisbon, Portugal, 19/09/2020-19/09/2020 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **6 European CME credits** (ECMEC®s).

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity."

This event is compliant with the MedTech Europe Code of Ethical Business Practice

PRICE >> 390 €

INCLUSIONS AND EXCLUSIONS IN PRICE

The price published for each course includes teaching fees, space rental, certificate of attendance, and materials used during the course. The price of the course doesn't include hotel accommodation, lunches, and dinners on course days, nor any other items unless specifically mentioned. Prices of courses published by AHED are exempted of VAT. Other items priced by AHED apart from courses may however include VAT.

APPLICATION, ADMISSION AND REGISTRATION

When applying for a course at AHED – Advanced Health Education, the applicant subjects personal and professional data that will be verified and assessed to check that admission criteria for that specific program are met. Once an application is approved, registration in the course is admitted and will require payment of the price published for the course.

APPLICATION FEES

Application fees are as follows:

- 100 € for courses priced above 1000 €
 - 50 € for courses priced below equal to 1000 €
- Application fees are non-refundable.

COURSE REGISTRATION FEES

The registration stage is considered completed when the total price of the course is received by AHED.

PAYMENT OPTIONS

Payment options for application and registration include credit card (Visa, MasterCard), wire transfer in Euro, and Multibanco.
